Thank You

We appreciate you taking the time to find out how our **business insurance services can help you manage risk for your company.**

As employee-owners of Bank Midwest Insurance, we understand firsthand what you need and want from your coverage and from the people who provide it.

We look at your company as if it was ours. That drives us to find affordable, quality risk protection that's aligned with your priorities and delivered by local, experienced specialists.

The Midwest is home to us, and since 1933, we've been proud to play an important role in keeping the companies and communities we serve successful.

The next pages will show you what we can do to help you plan wisely, live well, and realize your dreams.

Thank you for the opportunity.

Focus

Essential Protection

We'll design a package with your non-negotiable needs in mind, and shop for the most effective cost/coverage solutions for basic protection of your property, buildings, equipment, business income, and general liability.

Add-On Lines

Depending on your situation, we can enhance your protection with specialized risk management tools, including commercial auto coverage, crime protection, workers' compensation, and commercial umbrella policies.

Management Liability

Whether it's your employees, officers or directors, protecting the people who serve you is critical for acquiring and retaining a quality team. We offer a complete menu of protection options at affordable rates.

Employee Benefits

Being able to attract top-qualified prospects to your team is often a matter of benefits. We can create a benefits program that enhances employee quality of life for them and team retention for you.

Options

Cyber Liability

One of the fastest growing, constantly changing, and most potentially devastating threats to businesses today is cyber crime. By keeping abreast of current trends and helping control risk with proactive support, our coverage can be an important part of your cyber protection portfolio.

Loss Control Services

In addition to our experienced agents, multiple coverage options, and fast claim service, we offer access to best practice loss prevention strategies and professionals to support your company's ongoing safety.

... And More

If your situation dictates specific coverage needs, we can accommodate you. For example, some companies need enhanced property and liability coverage, others may need rental and contractor coverage, equipment breakdown protection, or security and fidelity bonds.

We can deliver it all.
